

# 3 *new* things I learned

## 1 | Shell Needs

- Podcast helps connect students to teacher.
- Podcast/ welcome announcement helps teacher proactively answer a lot of questions
- 

## 2 | Orientation

- Scavenger Hunt
- Help pages
- Communications
- Organization

## 3 | Study groups

- part of scavenger hunt should be to send google chat to fellow group members.
- Communication is crucial between students.

# 2 Things I plan on incorporating next week.

---

1. PodCast
2. Scavenger Hunt
  - a. Help Pages
  - b. Syllabus
  - c. Groups/ Team Communications
  - d. Screenshots
  - e. Sharing a document/file
  - f. Have students generate a response in the ways I will expect them to generate responses for tasks.

# Does brightspace have video conferencing?

Which online educational  
platform is furthest along for  
running a classroom?
